A Timeless Fingerprint

The creative universe of Stones® has always encompassed many disciplines since it's establishment in 2008, Since the beginning, Stones® was not about just the design of a well-crafted arts, but a very sentimental bond our clients developed with every art work we produced. There is a rare occasion when people can be engaged with a product on a level beyond the materialistic if they form an emotional, personal connection with a product that encompasses their legacy in the world and preserve it forever. Our products are not time machines or flashy technologies— they are unique vessels that keeps a nostalgia of your fingerprint in the world in every place they are used. Custom tailored for those who wish to keep their legacy for generations to come, our art is hand crafted from the highest quality, toughest stones in the middle-east to ensure your fingerprint lasts forever. Be it your home, your office or someone dear you gift, these art works are hand-crafted with mastery to elegantly carry your presence with luxury for the whole world to witness.

The Stones Logo is crafted using an impossible geometric shape of a cricle unioned with a sans-serif letter S and intersected with the golden spiral with a perfect percision making the ratio of the negative space in the logo and the filled space is equal to the sum of both of them over the larger (the filled space) a+b/a = alb

The impossible geometry of the two circles in our logo represents the join of the two Abu Ghosh brothers the founders of the Stones brand achieving what semed impossible to everyone, building a global luxury brand that sells carefully crafted art pieces to the highest profile clients in the world made out of stones using only a saw they aquired with less than a hundred dollars.
